BRING VIKING HOME FOR THE HOLIDAYS

Here's how the Instant Rebate Program works

1. The HADCO Authorized Dealer sells the eligible product(s) between October 1 and December 31, 2011, giving the instant rebate(s) off the consumer invoice at the point of sale! Consumer must take delivery by February 29, 2012.
2. The dealer submits to HADCO the completed form and includes a legible copy of the consumer invoice showing date of purchase, model and serial numbers. The instant rebate(s) to the consumer **MUST** be shown as a line item on the invoice.
3. HADCO validates the claim and issues the dealer credit within **14 working days** of receipt of completed valid claim.
4. In agreement with Viking's National Program, "retail sales only" apply which means NO personal use, model home or quoted projects qualify.
5. A legible copy of the customer invoice that includes date of sale, models and serial numbers can be submitted via the following methods of communication:
Email: spiffs@hadco.net • Fax: 800.910.8461 • Mail: Claims Processing Dept.
